

Product Features

Enjoy your favorite tunes on-the-go, at home or in the office with these adjustable over-the-ear headphones. With the unique adjustable design and padding, these headphones provide maximum comfort. These stylish and over-the-head, around-the-ear style adjustable-bendable Circumaural headphone, provides great sound quality and acoustic experience for anyone including DJ's, while listening to music on you Ipods, MP3/MP4, iPhones/Smart phones, PC and anything with 3.5mm jack. With lightweight and comfortable over-the-head, around-the-ear wearing style, this design creates a perfect barrier between the ambient sound sources and your ears, blocking unwanted outside noises while delivering sound directly into your ears. Soft leatherette padded ellipsoid ear cushions and adjustable/bendable headband provides enhanced wearing comfort.
