

## Product Specifications

Get a reliable connection between your PC and uni-directional, dot-matrix, or older laser printer. Tough enough for use in industrial settings. Fully molded for excellent strain relief, this cable also provides excellent foil shielding to protect valuable data from EMI/RFI interference. Each connector is designed with slotted, textured thumbscrews to make attachment and removal easy.

**Connector 1:** DB25 Male

**Connector 2:** Centronics 36 Male
