

## Product Specifications

Some newer electronic devices including camcorders and digital cameras are equipped with new HDMI mini connectors to carry high resolution content. This high quality Velocity cable easily adapts an HDMI mini connector to an HDMI connector ensuring a high quality, low loss connection. Enjoy high-resolution digital audio/video directly from your camcorder or camera right on your HDTV. This fully-functional, high-bandwidth cable is tested to perform at industry standards, and is backed by a lifetime warranty.

**Connector 1:** One HDMI Mini Male

**Connector 2:** One HDMI Male
