

Product Specifications

This Agiler SVGA Monitor Cable is designed to provide the highest video quality possible through SVGA. Ideally suited for high resolution SVGA applications, this high quality SVGA Monitor Cable eliminates picture "ghosting" and fuzzy images inherent to non-coaxial cables, and provides superior EMI interference protection by using ferrite cores near the connector ends.

- Molded connector ends with strain
 - Ferrite core eliminates EMI interference
 - Impedance matched at 75 Ohms for full brightness and vibrant picture color
- Triple-coaxial + twisted-pair wire for crystal clear display
