

Product Features

The AGILER AGI-WM02 Universal Tilting Wall Mount is designed to mount flat-panel displays measuring 23" to 56". The mount provides a 5 to 15 tilt adjustment and post-installation lateral shift based on the distance between your display's mounting holes.

- Hook and hang design allows your TV to be installed by a single person.
- Easy-glide adapter hooks onto the wall plate to ease installation.
- TV adjusts to your desired angle without tools.
- Open wall plate design allows for easier wall access and increases electrical and cable management options.
- Mounts to wood studs, concrete, cinder blocks or metal studs with required metal stud accessories.

Specifications:

- Tilted LCD/LED/Plasma TV wall mount
- Fits VESA: 400x400mm
- Loading capacity: 99 lbs (45kg)
- Distance to wall: 35mm.
